Endodontic Associates is excited to welcome our speaker for this year's annual seminar. Dr. Alan M. Atlas will be speaking on the topic of ***Enhancing the Esthetics & Function of High Strength All-Ceramic & CAD-Cam Restorations: Treatment Planning the Materials, Techniques and Procedures for Optimal Clinical Success*** for this doctor-only seminar.

This course will demonstrate step-by-step concise restorative treatment planning guidelines that fulfill today's esthetic demands and integrates current restorative materials and protocols. Procedures and techniques for esthetic and functional success with

high strength ceramics and CAD/CAM technology will be reviewed, based on the most current scientific evidence, to assess what factors most influence the clinical outcomes for tooth and implant supported restorations.

Quality Patient Care in a Comfortable Environment

Staff Vitals — MJ

Mary Jo, or as we call her, MJ, joined the EA team in the fall of 2012 as an Endodontic Assistant. Prior to coming to our office, she worked at El Reno Hospital. MJ says coming to work is enjoyable because “I work with a great staff and caring doctors.” MJ has a boyfriend of three years, Ben, who is a police officer in El Reno. Together they have a beautiful little boy named Carson who just turned one. In their spare time, MJ and Ben enjoy spending time playing with Carson.
