## EA Volunteers Travel to Tulsa for OkMOM

**F**ree dental work was performed on 1,805 patients last month in Tulsa during the Oklahoma Mission of Mercy.

Many of the staff and doctors from Endodontic Associates joined forces with more than 1,300 volunteers who came together to make all of this possible.

Approximately 7,000 procedures, valued at \$859,463, were performed.

It was a very rewarding experience for all involved. Next year, OkMOM will be in Oklahoma City and we look forward to doing our part ■
