## From the EA Holiday Photo Album...

Those of us at Endodontic Associates feel extremely fortunate to be a part of such a caring and close extended family. Every December, we take the time to celebrate the accomplishments and successes of the past year at our annual Christmas party.

It is rare to have so many of us captured in a single photograph, and we thought you would enjoy seeing all of our smiling faces (as well as a few less

formal moments from the party).

From our "house" to yours, we look forward to working with you and your patients in 2007 ■

*Pictured to the left, Carla Howell, Adrienne Steenberg, Dr. Beasley, Audrey Armstrong & Hilary Manning enjoy the party. Below, Candy Williams, Susan Cunningham (Interior Images), Susan Reiswig & Susan Renee' Newman also had a great time.*

Endodontic Associates would like to welcome Cortney Harmon to our practice!

**Cortney Harmon**

Since joining our team in August, Cortney has brought a youthful insight to our lives with her fun-loving personality.

She enjoys spending time with family and friends, watching television (especially Grey's Anatomy!), shopping and playing with her two dogs, Zoey & Buttons.

Cortney enjoys working in a large practice and has dreams of one day possibly becoming a dentist herself ■

**Bravo**

■ The Dental Depot had an eventful year in 2006 with the opening of their new office in Midwest City and the addition of **Dr. Casey Ashmore**. He is a 2006 graduate from Baylor College of Dentistry and the son of **Dr. Glenn Ashmore**.

■ **Drs. Seth Evetts** and **Neil Ayers** joined Freeman Family Dentistry in Moore this past year as well. Both are 2006 graduates from OUCOD.

■ We would like to welcome these new doctors and wish each of you continued success!

■ We would like to recognize **Deborah Saunders**, one of our dedicated Business Assistants, who

celebrated 10 years with EA this past November. She was a real "knockout" at the Christmas party in her bright red outfit!

*Planning Already Underway for Endodontic Associates' 2007 Summer Seminar!*

Although it probably seems like yesterday for our hard working staff who coordinate Endodontic Associates' summer seminars, it's already time to begin planning for the 2007 event!

Last fall, we mailed survey cards to our referring dentists asking what topics and dates most interested you. We had a great response! "Cosmetic Dentistry" was the first choice, with "Practice Management" coming in a close second.

We are proud to announce that Caulk Dentsply and Patterson Dental Supply will again join us in welcoming this year's guest speaker, Dr. Jeff Blank.

Dr. Blank emphasizes cosmetic and complex restorative dentistry in his personal dental practice in South Carolina. He has published several clinical manuscripts on cosmetic dentistry, and has lectured internationally on a variety of cosmetic materials and techniques.

Details on the 2007 Summer Seminar will be announced in our future newsletters. To learn more information about Dr. Blank, you can visit his website at **www.carolinasmilecenter.com**.

***We are looking forward to another great year with you!***
