Summer Seminar was Enjoyable, Informative

This year's seminar was a big hit! Dr. Jeff Blank delivered an excellent clinical seminar with a touch of humor that kept everyone laughing.

We received a record number of surveys back with comments such as "Really enjoyed seminar-very applicable to my practice!" and "Great speaker! Dr. Blank was a blast-very fun!" We are excited to offer annual seminars to our referring offices as another way to say "Thank You" and look forward to seeing everyone again next year!

Staff Vitals

Kim Henderson

We would like to extend a warm welcome to Kim Henderson, one of our newest chair-side assistants.

Kim Henderson
Endodontic Assistant

Although she is new to dentistry, Kim has always been interested in the field and was excited at the opportunity to be part of such a great profession.

When she's not working, Kim enjoys being outdoors, swimming, laying out by the pool, spending time with

friends and playing with her four nieces and nephews. She is very close to her family and is looking forward to the arrival of yet another niece or nephew in the near future.

Football season gets interesting for Kim since she is a huge OSU fan and her fiancé Ryan roots for the red and white team ■

Franki is just one of Sherri's many friends at EA who didn't want to see her go!

Bravo

■ **Sherri Longnecker** recently said "goodbye" to her friends at Endodontic Associates to take her seat as the **Logan County Treasurer**. We celebrated her time with EA with a party at Poblano Grille where everyone enjoyed a great meal and margaritas! Sherri is also the reigning Mrs. Guthrie and plans to participate in the Mrs. Oklahoma pageant next year. She will be greatly missed by all! We wish Sherri all the best in her new adventures!
