EA Team Walks to End Alzheimer's

Endodontic Associates doctors, staff and family members painted the town purple to support the 2013 Alzheimer's Association **Walk to End Alzheimer's**. Alzheimer's is a devastating disease, and one person is diagnosed in the United States every 70 seconds.

Furthermore, Alzheimer's is the nation's sixth-leading cause of death among men and women, typically in their 60s and older. All the money raised by the walk stays in Oklahoma to make sure families who face the long journey associated with Alzheimer's disease will receive support from the Alzheimer's Association. With many of our families personally affected by this disease, it is a cause near and dear to our hearts. Susan Reiswig started this tradition three years ago, and we were blessed to carry on the annual tradition

with Susan's family. As we walk, we also remember her contributions to Endodontic Associates and to the Alzheimer's community.

(Above right and above) EA doctors, staff and family celebrate the Walk to End Alzheimer's.

Susan Reiswig's son John pictured with grandsons Carter (left) and Grant.

Quality Patient Care in a Comfortable Environment*Jessi and Kim pose with their flowers before the Alzheimer's Walk.*

Reminder

Effective on November 19, 2013, we will no longer be providers for Blue Cross Blue Shield Association.

Staff Vitals Chavel Collins

After working in dentistry for the past ten years, Chavel brought her talents to our team in the summer of 2012.

Chavel is very good with patients and is always willing to help them.

In her spare time she reads, volunteers, and works in the yard.

One thing Chavel loves about her job is that there is never a dull moment. ■

Chavel Collins
Business Assistant
